No problem. We'll get that set up.

We park in the Locust Street garage – just past our building, same side of the street. There's also a surface lot (PrkMor) across the street. Both should have ample space.

Dave,

We have someone calling in to the meeting. Can you provide a telephone conference line. Also, where would you suggest we park. I know the Locust Street Garage is just across the street, does that fill up?

Thanks
